

2011 National Association of Southern Baptist Secretaries Conference
April 27 – 30
Sevierville, Tennessee

There will be a “Join Our Joy” membership contest. A membership goal has been set to double the 2009 membership of NASBS. They will take the total 2009 members from each state as of October 31, 2009. Each state that “doubles” their membership will be recognized and will receive a surprise at the 2011 national conference in Sevierville. The state that has the most increased memberships will also be recognized and receive the biggest surprise of all! Each NASBS member needs to invite and encourage at least one nonmember to join in 2010, and of course, encourage those who are members to get their renewals in the mail. “Spread the word” and get those renewals in the mail! Be sure and go to the website, www.nasbs.net for more information, state statistics, and updates.

The conference promises to be a JOYFUL AND WILD time of fun, food and fellowship. Jill Baughan will be the guest speaker. It will surely be a time of reaffirming, rekindling, or rediscovering the JOY of our ministry.

The conference will be concluded on Friday with dinner at Dollywood. Included in the registration cost is a ticket for Dollywood that will be used on Friday night and can then be used again on Saturday. Saturday is free for Ministry Assistants to enjoy Dollywood. Also, the cost of registration includes three additional meals than in the past. In previous years, attendees were responsible for these meals. However, this year they are covered in the cost of the conference.
